REF: FRESH AIRE UV PRODUCT

Dear Ms. Miller:

This letter serves as confirmation that a Fresh-Aire UV product was tested in one of our guest rooms' (#583).

This product improved the indoor air quantity, cleaned the air system, and removed the mold and foul odors from the room. We saw a remarkable difference. I am satisfied with the results and look forward to introducing the product in our other rooms in the future.

Thank you for your service.

Regards
Gladstone Sands 
Director of Engineering
