

# FRESH-AIRE UV®

## UV LIGHT DISINFECTION SYSTEMS

The Leading Manufacturer of UV Light Disinfection Systems in North America

### APCO® In-Duct Air Purifier

Winner of the 2011 AHR Innovation Award for Indoor Air Quality, APCO features UV light combined with activated carbon cells for **Advanced PhotoCatalytic Oxydation**. This ozone-free system is effective on odor causing and toxic VOCs as well as microbial contaminants.

### Blue-Tube UV®

The most popular germicidal UV light product in the world. Keeps the central air system clean and reduces airborne contaminants. Choose from high or low voltage power supplies and several lamp options. Includes magnetic mounting bracket for easy, flexible installation.

### Fresh-Aire UV® AHU Series 1

Similar to Blue-Tube UV® but comes with a heavy-duty water-resistant power supply that can support dual, triple, and quad lamps.

### Fresh-Aire UV® Purity™

Our combined UV light and filtration system offers the ultimate enhancement to indoor air quality. The system features 4" filtration, UV sterilization, and PCO odor neutralization in a stackable filter housing.

### Mini-UV System™

Our smallest UV light system for mini-splits & other limited-space applications features a miniature shielded UV lamp only 9" long with a 3/8" diameter - small enough to fit in the tightest of spaces.

### Fresh-Aire ICE UV®

The first germicidal UV light system for ice machines. ICE UV works around the clock, killing germs and saving money on ice machine maintenance.

### Fresh-Aire UV® Commercial Series

Our commercial systems feature easy, flexible installation with advanced multi-voltage water-resistant power supplies featuring the Triatomic lifetime power supply warranty. Normal or high-output lamp options

#### Standard Commercial UV Light System

32" lamps with L-brackets for easy installation.

#### Tubular Rack System

Mounts using 1/2" EMT tubing for cost-effective, flexible installations.

#### Modular Rack System

Comes with heavy-duty extending rack components which also serve as shields.

#### Panel Mount System

Installs in hard to reach areas by allowing access to the coil from the outside of the air system.

#### Tight-Fit Kit™

Ideal for PTACs, fan coils, & wall-mount systems.

Made in USA

Manufactured by Triatomic Environmental, Inc.
