

THE RIGHT CHOICE SAFE-TESTED-LIFETIME WARRANTY

APCO-X COIL & AIR TREATMENT

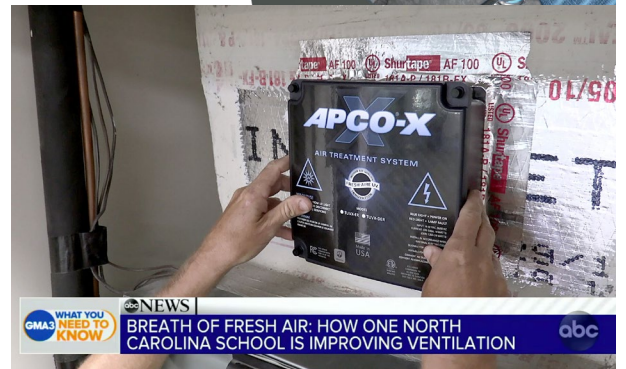

Do more for the air in the home or building with APCO-X, Fresh-Aire UV's most advanced product. This safe and effective HVAC air treatment system is designed to reduce mold, bacteria, viruses, allergens, and odor-causing VOCs in the air and at the coil.

It introduces no ozone, oxidizers or additives into the living space, just clean purified air. It features an award winning lifetime carbon ceramic matrix and a 3-year advanced UVC lamp. It is the ideal air treatment system for your customers and their families and is the perfect complement to their existing HVAC filtration.

Do More to Improve Indoor Air Quality

- Neutralizes VOCs and odors
- Disinfects the coil
- Complements the system HVAC filter
- Safe and effective
- Produces no dangerous airborne by-products, ozone or additives
- Turns HVAC ventilation into a whole home air purifier
- Electrical voltage 18-32V or 110-277V with plug
- AHR Innovation Award winning technology
- Lifetime EverCarbon™ cells
- Lifetime warranty
- 3 year advanced UVC lamp
