

Optional Mounting Magnet

This is a solution for mounting Fresh-Aire UV lights in situations with limited space and/or tight access. Mounting magnets are perfect for package units, large fan coils and air handlers. They can be used with L-brackets, coil-mount brackets, and lamp shields with any of our Commercial Series products including: Standard UV light kit, Tubular Rack System, Modular Rack System, and the Modular APCO System.

Part # TUVV-MG

BENEFITS

- 60lb magnet
- Easy to use
- Saves time during installation
- Strong and able to hold in wet applications
- Works on all galvanized metal cabinets and framing
- Good for any size CFM system
- Cost effective

Manufactured by Triatomic Environmental, Inc.
